SIA

Taken over role from May (thank you Bernie for caretaking)

Currently working through what skaters need to update their badges as turning 12 during 2022.

Would like to contact all those turning 12 rather than wait until nearer turning 12.

2023 renewals would like to propose that those turning 12 during 2023, follow the guidelines for certificates for 12 and over.

Will discuss with new skaters parents when joining the club as part of the process that the SIA Certificates is done when they join the club.

As a double check once we have nominations per league if I can have a list of skaters to ensure I can check their badges are up to date in DropBox.
